Subject: Request for Signature of the Addendum to Reclamation Contract, #1, Mountain Valley Stone, Inc., Browns Canyon Rock Quarry, M0430019, Summit County, Utah

Dear Mr. Hicken:

On October 6, 2006, I sent an email authorizing the disturbance of the 4.4 acres (copy enclosed). Within this email was an indication that the addendum to the reclamation contract was mailed, and you were to sign and return it to the Division. As of the date of this letter, the Division has not received this signed document. If this original signature page has been misplaced, a blank signature page is enclosed for you to sign and date and return in its original form to the Division. The Division Director will then sign and date it again.

Please provide the original, complete, signed Addendum #1 to the Reclamation Contract **immediately**. **Failure to furnish and maintain reclamation surety may result in a permit withdrawal, after notice and opportunity for board hearing, cessation of mining operations, and/or requirement to reclaim all lands affected.**

If you have any questions or require discussion regarding the content of this letter, please contact Ms. Beth Ericksen (801) 538-5318 or bethericksen@utah.gov.

Sincerely,

Susan M. White
